SUBJECT:- Madras Educational Subordinate Service - Sri H. Krishnacharya, formerly Headmaster, Government High School for Girls', Harpanahalli - Appeal to Government against the orders of the Director regarding fixation of seniority - Submitted.

In submitting herewith the appeal petition dated 4/7/1952 of sri H. Krishnacharya, formerly Headmaster, Government Girls' High School, Harpanahalli, Bellary District, I have to state as follows:-

Before the issue of the General Rules for the Madras State and Subordinate Service Rules, membership of the service was confined to persons who had been appointed substantively thereto and their seniority in the service was determined by the dates on which they were confirmed. Though Sri H. Krishnacharya was appointed earlier than the persons mentioned in his petition, he was actually confirmed in service after those persons were confirmed and so the date of his confirmation was the criterion for fixing his seniority as per the rules then in force. As all these happened more than two decades ago, he was informed that the Director refuses to re-open the question of fixing his seniority at this stage with reference to Rule 9 of the Statutory Service Rules in the Annexure VIII of the Fundamental Rules. The annual list of Non-Gazetted Officers in this Department was regularly printed and supplied to Subordinate Officers prior to 1948, but Sri Krishnacharya did not represent his case earlier.

As Sri H. Krishnacharya has since been promoted to the Madras Educational Service as Headmaster, Government Training School for Masters, Chittoor - Vide G.O. Ms. No.2067, Education, dated 4/9/1952, no further action seems to be necessary in the matter.

Headmaster, Government Secondary School for Girls
Harapanahalli.

Respected Sir,

I, H.Krishnacharya, Headmaster, Govt. Secondary school for Girls, Harapanahalli, beg to request that this my representation for restoration of seniority and rank be favourably considered and orders passed upon as in justice it ought to be.

Close on the publication of Annual list of Officers in Education Department corrected upto 1 - 6 - 51 after the War for the first time, I was compelled to make a representation that my rank at 52 was in need of correction in terms of the list as I was senior to even Sl.No 38 and that I had appealed against grant of selection grade to No.38 and company while I stood a senior for 25 years of service.

The same was never disposed of and no orders were passed too.

In his R.O.C.No 322-C/4 of the Director dated 1-4-52 it was ordered that all my juniors were, thanks to the protection of the Services Commissioned confirmed before me though I was one of the last, if not very last to be recruited directly by the European Director on 9-12-26 being confirmed from 9-12-26.

So I appealed against the confirmation of juniors before me. But the Director was pleased to refuse reconsideration. A further representation was without effect. But on my interview on 8-4-52 the Director Sri. D.Sadasiva Reddy Garu, was pleased to promise that he would promote me and post me as Headmaster of the Government Model High School in Gazetted rank.

To envisage the enormous injustice grouped comulatively I beg to append a few of the juniors confirmed and promoted before me.

P.T.O.

I stop the list not to exhaust your patience and that I am the Head of Girls' institution is a selection of choice encomium that way being of amphebious nature, I have not received I single chance out of no less than THIRTY in which my juniors were promoted.

I implore that Individual rights, the essence of Democracy may not be further drowned and consigned to depths of disregard.

It is with so much trepidity that I have this representation to ask not for more gruel but for quantity of gruel that my seniority and service demand.

I beg of you to stem this wrong and restore my R A N K and seniority

For which Act of kindness I pray,

Yours faithfully,
